To Ministry of Corporate Affairs/Registrar of Companies,

We wish to bring to your kind knowledge that at the time of filing Form MGT-7, we are facing technical glitch while filling the number of shares held in Physical and Demat form in the respective row "x. Other Specify" (i.e. during the year there were dematerialisation of physical shares which resulted the increase in number of dematerialised shares. Accordingly, at the end of the year, the numbers of share dematerialised during the year should get reduced from the number of physical shares at the beginning and there should be corresponding increase in the number of dematerialised shares at the end of the year.

However, due to technical glitch the number of shares filled in the row "x. other specify" get omitted while affixing the DSC which results the number of shares in physical and demat at the beginning of the year are the same at closing of the year.

We have raised the ticket with MCA (having ticket Number SR2572069) for the same, in this regard, we received an email communication to use the new form for filling the form MGT-7. However, we used the new form MGT-7 downloaded from MCA several times to complete the filing but technical glitch still persists. Further, before raising of the ticket, we had tried several time to download the Form MGT-7 and complete the filing but could not be done because of the said technical glitch. Therefore, we are enclosing this letter in the Form MGT-7 stating the correct details of shares held in physical and dematerialised form at the beginning and the end of the year.
