CHAPTER – 1

INTRODUCTIN

The Securities and Exchange Board of India (**SEBI**), for protection of investors and to regulate the securities market, had formulated the SEBI (Prohibition of Insider Trading) Regulations, 2015 (including its amendments, modifications, statutory re- enactments thereof, formats of disclosure, rules, regulations, circulars, notifications, guidelines, guidance notes, frequently asked questions, circular issued by BSE Limited or National Stock Exchange of India Limited, clarifications made or issued in relation thereto, from time to time) (**SEBI PIT / The Regulations**) under the powers conferred on it under the SEBI Act, 1992.

The present Insider Trading Policy / Code of **Fortis Malar Hospitals Limited** (**‘the Company’**) has been framed in accordance with the Regulations (hereinafter referred as **‘Policy / Code’**).

OBJECTIVE

The objective of this Code is to prevent dealing in Securities of the Company by any person either on his/her own behalf or on behalf of any other person, on the basis of Unpublished Price Sensitive Information (UPSI) and to prevent unauthorized sharing or dissemination of UPSI.

In order to achieve this objective, this Code outlines the prohibitions in relation to Insider Trading as also provides guidance on processes and procedure to be followed when dealing with Company’s Securities / UPSI. Such processes, if followed, would ensure compliance to regulatory norms.

The employees and Insiders endeavor to preserve the confidentiality of UPSI and to prevent misuse of such information by ensuring due compliance to the Code. The employees and Insiders are committed to transparency and fairness in dealing with all stakeholders and in ensuring adherence to all applicable laws and regulations.

APPLICABILITY

This Code, to the extent applicable, shall cover the Promoters, members of Promoter Group and Insiders of the Company.

1.1 DEFINITIONS

- (a) **“Act”** means the Securities and Exchange Board of India Act, 1992 (15 of 1992) as amended or modified from time to time;
- (b) **“Board”** means the Securities and Exchange Board of India;
- (c) **“CA 13”** means Companies Act 2013, as amended from time to time;
- (d) **“Compliance Officer”** means any senior officer, designated so and reporting to the board of directors or head of the organization in case board is not there, who is financially literate and is capable of appreciating requirements for legal and regulatory compliance under these regulations and who shall be responsible for compliance of policies, procedures, maintenance of records, monitoring adherence to the rules for the preservation of unpublished price sensitive information, monitoring of trades and the implementation of the codes specified in these regulations under the overall supervision of the board of directors of the listed company or the head of an organization, as the case may be.

Explanation – For the purpose of this regulation, “financially literate” shall mean a person who has the ability to read and understand basic financial statements i.e. balance sheet, profit and loss account, and statement of cash flows

(e) “Connected Person” shall mean,-

- a. any person who is or has been during the six months prior to the concerned act been associated with the Company, directly or indirectly, including by reason of frequent communication with its officers, or, by being in any contractual, fiduciary or employment relationship, or by being a director, officer or an employee of the Company or holds any position including a professional or business relationship, whether temporary or permanent, with the company that allows such a person, directly or indirectly, access to Unpublished Price Sensitive Information or is reasonably expected to allow such access.
- b. Without prejudice to the generality of the foregoing, the persons falling within the following categories shall be deemed to be Connected Persons unless the contrary is established:-
 - (a) A relative of Connected Persons specified in clause (e) above; or
 - (b) A holding company or associate company or subsidiary company; or
 - (c) An intermediary as specified in section 12 of the Act or an employee or a director thereof; or
 - (d) An investment company, trustee company, asset management company or an employee or director thereof; or

 - (f) A member of board of trustees of a mutual fund or a member of the board of directors of asset management company of a mutual fund or an employee thereof; or

 - (l) a person sharing household or residence with a connected person specified in sub-clause (a) of clause (e);]

NOTE: It is intended that a connected person is one who has a connection with the company that is expected to put him in possession of unpublished price sensitive information. Relatives and other categories of persons specified above are also presumed to be connected persons but such a presumption is a deeming legal fiction and is rebuttable. This definition is also intended to bring into its ambit persons who may seemingly not occupy any position in a company but are in regular touch with the company and its officers and are involved in the know of the company's operations. It is intended to bring within its ambit those who would have access to or could access unpublished price sensitive information about any company or class of companies by virtue of any connection that would put them in possession of unpublished price sensitive information.

(f) “Designated Persons”¹ shall include –

- i. Directors of the Company;
- ii. Chief Executive Officer, Chief Financial Officer and Company Secretary of the Company;
- iii. Employees upto two levels below Chief Executive Officer of the Company, intermediary, fiduciary and its material subsidiaries irrespective of their functional role in the company or ability to have access to unpublished price sensitive information

- vi. Any support staff of listed company, intermediary or fiduciary such as IT staff or secretarial staff who have access to unpublished price sensitive information
- vii. Such other persons as the Compliance Officer may notify from time to time basis seniority and professional designation or basis role and criticality of function that may entail such person to have availability of UPSI.

(g) “Director(s)” means the member of Board of Directors of the Company as in force from time to time.

(h) “Generally Available Information” means information that is accessible to the public on a non-discriminatory basis and shall not include unverified event or information reported in print or electronic media.

Note: It is intended to define what constitutes generally available information so that it is easier to crystallize and appreciate what constitutes unpublished price sensitive information. Information published on the website of a stock exchange would ordinarily be considered generally available.

(i) “Immediate Relative” means a spouse of a person, and includes parent, sibling, and child of such person or of the spouse, any of whom is either dependent financially on such person, or consults such person in taking decisions relating to Trading in Securities.

(j) “Insider” means any person who is:

- i. Connected Person,
- ii. ²in possession of or having access to Unpublished Price Sensitive Information pursuant to a legitimate purpose or otherwise, including but not limited to Designated Person.

Note: Since “Generally Available Information” is defined, it is intended that anyone in possession of or having access to UPSI should be considered an “Insider” regardless of how one came in possession of or had access to such information should be considered as an “insider” regardless of the manner in which one came into possession of or had access to such information. Various circumstances are provided to enable such a person to demonstrate that he has not indulged in insider trading. Therefore, this definition is intended to bring within its reach any person who is in receipt of or has access to unpublished price sensitive information. The onus of showing that a certain person was in possession of or had access to unpublished price sensitive information at the time of trading would, therefore, be on the person leveling the charge after which the person who has traded when in possession of or having access to unpublished price sensitive information may demonstrate that he was not in such possession or that he has not traded or he could not access or that his trading when in possession of such information was squarely covered by the exonerating circumstances.”

¹Regulation 9(4) of SEBI (PIT)

3.4.3 ²⁵Such Trading Plan shall:

- (i) not entail commencement of Trading on behalf of the Insider earlier than one hundred and twenty calendar days from the public disclosure of the plan.

It is intended that to get the benefit of a trading plan, a cool-off period of 39[one hundred and twenty calendar days] is necessary. Companies declare their results quarterly and there exists a trading restriction, in terms of these Regulations, from quarter end to two days after declaration of quarterly result, which, it is seen, is generally a period of around one month for most companies. Thus, one hundred and twenty calendar days] period is considered reasonably long for unpublished price sensitive information that is in possession of the insider when formulating the trading plan, to become generally available. It is also considered to be a reasonable period for a time lag in which new unpublished price sensitive information may come into being without adversely affecting the trading plan formulated earlier. In any case, it should be remembered that this is only a statutory cool-off period and would not grant immunity from action if the Insider was to be in possession of the same Unpublished Price Sensitive Information both at the time of formulation of the plan and implementation of the same.

- (ii) not entail overlap of any period for which another Trading Plan is already in existence;

Compliance Officer to check the validity of the existing Trading Plans before approving the new Trading Plans to avoid over lapping.

- (iii) Adhere to the following parameters:

- (a) either the value of trade to be effected or the number of securities to be traded;
- (b) nature of the trade;
- (c) either specific date or time period not exceeding five consecutive trading days;
- (d) price limit, that is an upper price limit for a buy trade and a lower price limit for a sell trade, subject to the range as specified below:

1. for a buy trade: the upper price limit shall be between the closing price on the day before submission of the trading plan and upto twenty per cent higher than such closing price;

2. for a sell trade: the lower price limit shall be between the closing price on the day before submission of the trading plan and upto twenty per cent lower than such closing price.

Explanation:

- (i) While the parameters in sub-clauses (a), (b) and (c) shall be mandatorily mentioned for each trade, the parameter in sub-clause (d) shall be optional.
- (ii) The price limit in sub-clause (d) shall be rounded off to the nearest numeral.

(iii) Insider may make adjustments, with the approval of the compliance officer, in the number of securities and price limit in the event of corporate actions related to bonus issue and stock split occurring after the approval of trading plan and the same shall be notified on the stock exchanges on which securities are listed.]

NOTE: It is intended that while regulations should not be too prescriptive and rigid about what a trading plan should entail, they should stipulate certain basic parameters that a trading plan should conform to and within which, the plan may be formulated with full flexibility. The nature of the trades entailed in the trading plan i.e. acquisition or disposal should be set out. The trading plan may set out the value of securities or the number of securities to be invested or divested. Specific dates or specific time period may be set out in the plan. However, there should be an outer limit on the duration of the time period, so that while it allows the insider to split their trades across different dates, duration should not be so long that it is prone to misuse.

Further, to protect the insider from unexpected price movements, he may, at the time of formulation of trading plan, provide price limits within the range specified in these Regulations not entail Trading in Securities for market abuse.

3.4.4 ²⁶The Compliance Officer shall review the Trading Plan to assess whether the plan would have any potential for violation of the Regulations and is also entitled to seek express undertakings as may be necessary to enable such assessment and to approve and monitor the implementation of the plan.

²⁴ Regulation 5 (1) of SEBI (PIT)

²⁵ Regulation 5 (2) of SEBI (PIT)

²⁶ Regulation 5 (3) of SEBI (PIT)

²⁷The pre-clearance of trades shall not be required for a trade executed as per an approved Trading Plan. Also Trading Window norms and restrictions on contra trade shall not be applicable for trades carried out in accordance with an approved Trading Plan.

3.4.5 ²⁸Once satisfied, the Compliance Officer shall approve or reject the plan within two trading days of receipt of the trading plan and notify the same to the Stock Exchange(s) on which the Securities of the Company are listed, on the day of approval.

²⁹The Trading Plan once approved shall be irrevocable and the Insider shall mandatorily have to implement the plan, without being entitled to either execute any trade in the Securities outside the scope of the Trading Plan or to deviate from it except due to permanent incapacity or bankruptcy or operation of law.

Provided that the implementation of the Trading Plan shall not be commenced if any Unpublished Price Sensitive Information in possession of the Insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation.

Provided further that if the insider has set a price limit for a trade under clause 3.4.3 (ii) & (iv), the insider shall execute the trade only if the execution price of the security is within such limit. If price of the security is outside the price limit set by the insider, the trade shall not be executed.
